MEMORANDUM FOR: Ron Jarmin
Performing the Non-Exclusive Functions and Duties
  of the Director
U.S. Census Bureau

FROM: Carol N. Rice
Assistant Inspector General for Audit and Evaluation

SUBJECT: Audit of the U.S. Census Bureau's CEDCaP Program

We are conducting an audit of the Census Bureau's Census Enterprise Data Collection and Processing (CEDCaP) program to determine whether critical systems will be ready to test during the 2018 End-to-End Census Test (E2E Test).

On November 13, 2017, we announced this audit with the original objectives. We held an entrance conference on November 14, 2017, when we discussed our audit in more detail.

This memorandum is to notify you that we have revised our objectives. They are now to determine whether (1) the Bureau is prepared to test its 2020 Census Security Architecture during the E2E Test and (2) there are cost issues that will affect the readiness of the security architecture, or any other relevant systems.

If you have any questions about this audit, please contact me at (202) 482-6020 or Terry Storms, Director, at (202) 482-0055.
