Assistant Secretary for Communications and Information
National Telecommunications and Information Administration

FROM: Arthur L. Scott, Jr.
Assistant Inspector General for Audit and Evaluation

SUBJECT: Evaluation of Infrastructure Investment and Jobs Act Programs
(#2023-893)

We are initiating an evaluation of the Infrastructure Investment and Jobs Act (IIJA) Programs. Our objective is to conduct a series of reviews to determine whether the National Telecommunications and Information Administration and its recipients are sufficiently overseeing IIJA projects to ensure program requirements are met and funds are used for their intended purposes.

An entrance conference will be scheduled no later than October 19, 2022, at which time we will discuss in further detail the specific nature of our evaluation—including our objective and scope, time frames, and any potential data needs. If you have any questions about this evaluation, please contact me at (202) 577-9547 or Rosheek Williamson, Director for Broadband Oversight, at (202) 578-3621.

We thank you in advance for your cooperation during this effort.
